

THE SUPERKART CATEGORY HAS BEEN ALLOCATED CARPORTS FOR THIS EVENT AT MORGAN PARK.

Competitors are reminded that Morgan Park is a motor sport facility that is still a work in progress, so the facilities are in-complete in some regards. SKA has negotiated long to provide the best available standard of pit facilities, keeping in mind our members travelling long distances and those who are in contention for the Championship. Shannons have stipulated all categories are to have their entrants assembled together in designated pit areas. SKA regrets to inform that no pit tents, outdoor paddock pitting, or trailer pitting will be provided for or permitted.

All Superkart entrants are to be allocated and pay SKA for pit area CARPORT spaces with each Pit Bay measuring 6 metres by 3 metres. This pitting will have a basic level of lighting and power outlets, so entrants are advised to pack power leads and if you have them, RCD safety switched outlet packs, as each space is not separately powered.

To ensure the most appealing presentation for our Category, SKA has secured enough bays to allocate spaces to all entrants at an economical and affordable rate. SKA is allocating Carports on the basis of "Two-in" which is 2 Superkarts per 6m x 3m Carport.

Carport 6m x 3m Spaces will cost \$170, or \$85 for each Superkart in the "Two-in".

Note: There may be one or two limited opportunities for 3 competitors into a 12m x 3m twin carports for a cost of \$375, or \$125 for each Superkart – 1st in best dressed!
All prices include GST.

Because of the late advising of pit paddock setup and allocations by Shannons, SKA has formulated a preliminary layout using Round One allocations as a guide. Please review and discuss the layout with fellow racers/teams and respond only if you have a different preference or request order by email by **COB August 7th** to: SKA-enquiry@superkart.org.au and please title your email '**MP Pit Request**' for ease of sorting. Do not delay.
If you do not respond by the above date the space shown will be allocated to you and you will be liable for the amount of the space on arrival.

Because of the delay in Shannons finalising arrangements, Payments must be made at the latest to Clint Brown on your arrival at the event. You can pay SKA by EFT before arriving, but you must bring the EFT confirmation print or deposit receipt as proof of payment.

Please Note: Payment must be made in full to SKA for your allocated place when requested. Please do not make us have to chase you.
