

How to Enter SKA National Series R1 Phillip Island June 23rd – 24th.

Entry will be via the CAMS website Event Member Portal.

If you need to register, then go to CAMS link <https://www.cams.com.au/> or <https://www.meecamsau.com/login-redirect.php> and read the instructions of how to register.

For registered CAMS Licence Holders, go to CAMS link

https://www.meecamsau.com/index.php?option=com_content&view=article&id=16&eventId=15837&Itemid=478

and access the CAMS MEMBER PORTAL using your licence number as the CAMS ID, and your password.

(If you don't have a password or have forgotten it then use the "FORGOT PASSWORD?" link to have one sent to your email address)

When you have logged in, your browser takes you to your 'member page', at the left side bar, select "CAMS EVENT ENTRY".

At Step 1 – 'Select Event' use the events access box to scroll to June 2018 and select "**Superkarts Australia @ Endurance Access**" (which is the meeting title for SKA entrants). Proceed to select the other details at Steps 2 and 3 and complete those entry details.

Leave Step 4 blank or put TBA because SKA has hired a block of garages for our category, and we will advise entrants of the cost and allocations closer to the event.

IMPORTANT! When you get to Step 5, 'Confirm and Pay', just complete this section and make payment at this step by your preferred method. If you choose Direct Deposit then EFT your race event payment to SKA by EFT in accordance with the SKA account details shown.

Note! Early bird discount rate of \$385 is only applicable for entries lodged and paid by May 27th 2018 – no exceptions. After 27th May the event entry cost is \$450.

If you have not done so, **JOIN SKA FOR 2018** using the Membership Form at the 'Events' page sub-tabs

ENTER EARLY AND SEE YOU THERE!

Regards

SKA Team.
